Summary

Front-end web developer with an intense background in the arts, dance, and fitness. Maintains a passion and talent for excelling in client's wants, always finding unique ways to harp on previous artistic experience. Excellent communicator and great under pressure while working in a team, specifically with back-end developers. Creative user interface skills specific to eloquent design, making user experience not just an experience but rather a cohesive journey.

Technical Skills

Development languages: HTML, CSS, Bootstrap, JavaScript, jQuery, API/AJAX, Node/Express, MySQL/Sequelize, Mongo DB/Mongoose, React
Other skills: Adobe Photoshop, Adobe Lightroom, GarageBand, photography

Projects

Local concert and restaurant/bar finder
https://buley004.github.io/ballads-and-brews/
- *Ballads and Brews* | https://github.com/buley004/ballads-and-brews
- User searches for a local concert of their musical liking happening *that* day which then populates restaurants and bars within a close mile radius of the venue all within one application; no need for multiple search engines
- Languages used: HTML, CSS, JavaScript, jQuery, API documentation
- Core responsibilities:
  - utilized Eventbrite and Zomato API's to find shows and locate food/drinks close to the venue and printed results on page in stylized manner
  - UI/UX design implementation

Household bill splitting application
https://divvy-application.herokuapp.com/
- *Divvy* | https://github.com/jottobot/Divvy
- Each unique user can add a bill, bill details, and payer's of that bill to their account
- Each user's account will show the bills they specifically owe making tracking bills easier without distraction of communication present in other apps
- Languages used: HTML, CSS, JavaScript, jQuery, API documentation, Node.js, MySQL/Sequelize, Express
- Core responsibilities:
  - UI/UX design and implementation with HTML, CSS and Bootstrap, including mobile responsive
  - seamless communication with back-end team ensuring all parts of app run smoothly
  -

Experience

Pure Barre, Seattle, WA and Los Angeles, CA   **2016-Current**
Barre fitness instructor
- Lead hour-long barre fitness classes to clients aged 18-70
- Use strong leadership and communication skills to uphold being a positive role model in the Seattle fitness community
- Unique and quick problem solving to help clients who might not be as physically advanced while the class quickly paces on
- Act quickly and efficiently between saying cues, changing choreography, dimming lights, switching song, and correcting clients
- Awarded Classpass's best barre teacher in 2017 in L.A. - https://classpass.com/blog/2017/02/01/best-barre-instructors-los-angeles/
- Consistently receives praise from colleagues and clients on impeccable timing, great musicality, and friendly nature

Hollywood Dance Shoot, Los Angeles, CA and remote   **2015-Current**
Photographer, choreographer and social media manager
- Choreograph specific half-hour photoshoots for dancers aged 5 and up harping on dancer's strengths
- Photograph these said choreographed shoots over a 12 hour work day maintaining composure and smooth communication with both dancer and parent
- Troubleshoot any uses with Nikon camera, Adobe Lightroom and Photoshop over the long work day
- Edit select images in Adobe Photoshop to post on our Instagram with over 20k followers, handle all comments and DMs with professionalism
